An outreach of aboundinglove.org

This brochure is a tool to help bring Christian prisoners of the same gender together with a member of the Body of Christ on the outside. You can be a big part of this outreach.

One of the most neglected areas of ministry in the Body of Christ and one of greatest needs is to bring Christians together regardless of walls, fences and bars. Come together through correspondence today!

We believe that if Christians on the outside were to catch the vision for prisoner outreach, God's love and grace would not only change individual lives, but our society at large.

A new revival is on the horizon for those who awake to this area of unrealized need in their lives. I ask that you pray for God to make this desire real to you.
